### GUIDELINES

Proper classroom etiquette is essential to the education and training of dancers. Be prompt. Late arrivals disrupt class and late student to miss warm up.

If a student needs to leave before class is over, he/she must ask to be excused by the teacher. Please do so discretely so as not to disrupt class.

No gum chewing, eating, or drinking is allowed in the studios. Water is okay. No cell phones during class.

Always show respect to teacher. Eyes and attention must always be on the teacher. Be appreciative of corrections and earnestly apply them. Be kind to your classmates. When class is finished, clap and thank the teacher for class. Do not leave behind hair pins, water bottles, or clothing.

Tuition payments are due on the 1st day of each month. Late fees are added after the 10th.

Tuition fees are monthly based (not weekly), regardless of how many lessons per month. Some months may have 5 lessons and some months may have a holiday.

No tuition adjustments or credits are given for missed classes. Students are welcome to make up classes if possible.
